

Map: From the Octagon to Leithview Homestay

An image of this landmark is available for download

BP Garage and Night 'n' Day

Dairy at Traffic Lights

Directions:

1. Starting in the Octagon, drive NORTH along George Street (the main shopping street).
2. If you are on the right track, you will find you leave the shopping area and on your left you will eventually see a Night 'n' Day dairy and a BP Service Station, as shown on the first image. You are about half way to the next landmark.

3. The next landmark you are looking for is the dairy at the next traffic lights. Turn LEFT at these lights on to Duke Street.

4. Travel along Duke Street, following the winding road which meanders up the Leith Valley. The road will eventually become Malvern Street and you should continue along it until you come to number 234. On the left is a white picket fence. On the right is a post and rail. Drive in between these to enter our drive.

5. Turn on to the unsealed drive and follow it as it curves to the left and goes up hill. You will pass a wooden sign labelled "Leithview". The homestay is at the top of the hill.
